M935 Roll 12: Confederate Inspection Reports

Report #: 6-P-46  
Unit: Clingman's Brigade  
Commander: Col. Hector McKethan  
Date: January 2, 1865

While inspecting the Brigade I observed that many of the soldiers had lost much of their ammunition, which fact I called to the attention of the Regimental and Company commanders. The troops are very much in need of clothing.
